## **Engineered Rigid SPC Flooring Warranty Information**

This document details of coverage and limitations for following warranties for engineered Rigid SPC flooring:

- Lifetime Limited Structure Warranty
- Lifetime Limited Water Resistant Warranty
- 10 Year Limited Commercial Wear Warranty
- Lifetime Residential Warranty

### **Lifetime Residential Wear Warranty**

The wear layer of the floor plank is warranted not to wear through under normal use for the life of the product (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. This warranty is non-transferable and applies only to the original purchaser.

This lifetime residential wear warranty is made subject to the following conditions:

1. The floor must be installed properly and according to installation instructions. Proper installation includes, but is not limited to the following:
  - a. If glue is used, glue entire floor with glue that meets or exceeds PVAC dispersion with a viscosity of 8000 +/- 1000 cpc spindle 6/20 at 20 degrees centigrade – density of 1.11 +/- 0.02 g/cm on a dry content of 48 +/- 1% (weight). Upon completion of glued installation, the floor must be allowed to set overnight for 24 hours before resuming normal usage of the room.
2. The flooring must be used only indoors in a dry, climate controlled area. In areas that are not climate controlled or exposed to direct sunshine with temperatures potentially exceeding 160 degrees Fahrenheit, FloorSource recommends gluing down the floor to prevent possible distortion due to dimensional stability changes.
3. The flooring must be maintained in accordance with FloorSource maintenance instructions.
4. This limited warranty does not apply to FloorSource moldings and trims.
5. Installation of flooring that contains any manufacturing defect is not covered by this limited warranty.

### **Lifetime Limited Structure Warranty**

The floor plank is warranted to be free from manufacturing or material defects for the life of the product. When a defective product is installed, credit applies to material only and does not include labor since it is the responsibility of the installer to determine suitability of material prior to installation. Should a problem attributable to a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by the 25 Year Limited Structure Warranty.

**The Lifetime Residential Wear and Lifetime Limited Structure Warranty do not cover:**

1. Damage due to adhesives or tape, scratches, gouges, scuffs, punctures, cuts, indentations, burns, accidents, lack of proper furniture rests or any intentional misuse of the product. Loss of finish gloss over time is consistent with normal wear & tear and is not a product flaw. DO NOT drag any heavy objects across the floor.
2. It is normal and expected for there to be color variations due to use of natural components, exposure to UV light and/or sunlight, and age of material. Therefore, color inconsistency between samples, replacement product or illustrations and actual product is not a manufacturing flaw.
3. Manufacturer makes no guarantee that FloorSource products will match or coordinate with customer furnishings, trim, cabinetry, railings, etc.
4. Noncompliance with installation instructions and maintenance guidelines. Manufacturer cannot assume responsibility for the suitability of flooring material and accompanying products for each individual installation as manufacturer has no control over the installer's proper application. Should an individual piece be doubtful as to appearance or dimension the installer should not use this piece.
5. Cracking, warping, soiling, fading, improper maintenance or abuse caused by items such as roller skates, golf shoes or pets, etc.
6. Floor covering installed in inappropriate locations is excluded from this warranty.
7. Gloss reduction or surface scratches are not considered surface wear. Dull finish can be corrected with spot or overall recoating care systems.

**Lifetime Limited Water Resistant Warranty**

The floor plank or tile is warranted to be 100% water resistant and the structural integrity of the floor plank or tile will not be significantly diminished by exposure to moisture. While moisture will not affect the floor's integrity, it is probable that, when excessive moisture accumulates in buildings or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed). FloorSource moisture warranty excludes damage resulting from mold (and/or) mildew growth due to prolonged exposure to moisture.

**The Lifetime Limited Water Resistant Warranty does not cover:**

1. Damage to surrounding structure, walls, subfloor, fixtures, furniture, underlayment, moldings, trims, subfloor heating elements, or anything that is not the floor plank or tile.
2. Damage resulting from mold & mildew growth due to prolonged exposure to moisture.
3. Flooring that is installed outdoors.
4. Flooring damaged by flooding (submerged under water).

**10 Year Commercial Limited Wear Warranty**

The finish of the floor plank is warranted by **FloorSource**, Inc. not to wear through under limited commercial use for a period of ten (10) years from the date of purchase. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, FloorSource will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms of 10 Year Commercial Warranty". This

warranty is non-transferable and applies only to the original purchaser and only if used in the following commercial areas:

- **Retail:** Novelty Shops/Boutiques, Product Display Areas, Sales Floors, Showrooms, Hair Salons, Hallways, Entryways (walk off mats required)
- **Medical Offices:** Waiting Rooms, Patient Rooms, Examination Rooms, Storage Rooms, Hallways, Entryways (walk off mats required)
- **Hotels:** Guest Rooms, Conference/Meeting Rooms, Lobby
- **Offices and Restaurants:** Offices, Conference/Meeting Rooms, Showrooms, Restaurant Floor, Break Rooms
- **Institutional:** Classrooms, Training Rooms, Meeting Rooms, Commons Areas, Residence Halls, Hallways
